**UPDATED: DFCM GENERAL CONDITIONS
EFFECTIVE AUGUST 3, 2020**

Date: August 4, 2020
To: All Construction and Professional Services Contractors
Re: Updated DFCM General Conditions - Effective August 3, 2020

A updated version of the DFCM General Conditions, effective August 3, 2020, has been posted to the DFCM Website.

Included in the updated DFCM General Conditions is the Builder's Risk Insurance requirement. This requirement has been changed and is no longer required to be provided by the contractor on DFCM projects. Moving forward, Builder's Risk Insurance will be obtained by DFCM. Please reference Article 10 - Section 10.2 for details.

The changes to the DFCM General Conditions are not limited to the Builder's Risk Insurance requirement. Please visit the **DFCM website - General Conditions for projects on and after August 3, 2020** to reference and familiarize yourself with the updated version.

Sincerely,

DFCM
